B. CONTENTS

1 hoop (8.5cm in diameter), 1 bag of coloured beads, 3 feathers, 1 silver cord, 1 lace, PVA glue, detailed instructions.

C. INSTRUCTIONS

1. Knot the lace onto the hoop.
2. Wrap the lace around the hoop tightly.
3. After completely covering the hoop with the lace, glue the lace's end to the hoop.
4. Wrap one end of the silver cord around the hoop and secure it with a double knot. Then, loosely wrap the cord around the hoop at 3cm intervals.
5. Once you have completed a full circle, continue to form a second row.
6. Continue to form rows in the same way until you have nearly reached the centre. On the next row thread a bead on alternate loops. Finally, thread a large bead in the middle and secure with a double knot.
7. Cut another piece of cord about 7cm long. Tie one end to the hoop and thread two beads on it. Tie a knot at the end of the cord and then glue a feather onto it.
8. Repeat this step twice so that you have three feathers hanging below your dream catcher.
9. Your dream catcher is complete! Sleep soundly with it hanging above your bed.
